RE: EMS Appreciation Day Donation

Dear Lee:

The intent of this letter is to express our sincere thanks for your recent donation for Emergency Medical Services (EMS) Appreciation Day 2006. The theme of this year's EMS week, "Serving on Health Care's Front Line", focuses on the commitment and dedication of EMS providers who provide an essential community service every day.

On May 18, 2006 local EMS providers and the Sierra-Sacramento Valley EMS Agency (S-SV EMS) hosted the Third Annual EMS Appreciation Day honoring paramedics, emergency medical technicians, dispatchers, hospital employees, first responders, fire fighters, police, and EMS educators. In addition to honoring EMS providers with an awards ceremony and luncheon, free continuing education training and helicopter safety training was provided.

The amateur radio display you provided exposed EMS personnel to the vital role amateur radio provides and helped to ensure a successful event. The fund raising potential of your display also offered a very unique approach for this event.

We look forward to next year's celebration and the possibility of your support of future EMS Appreciation Day events.

Very truly yours,
